"We Can Be Free"

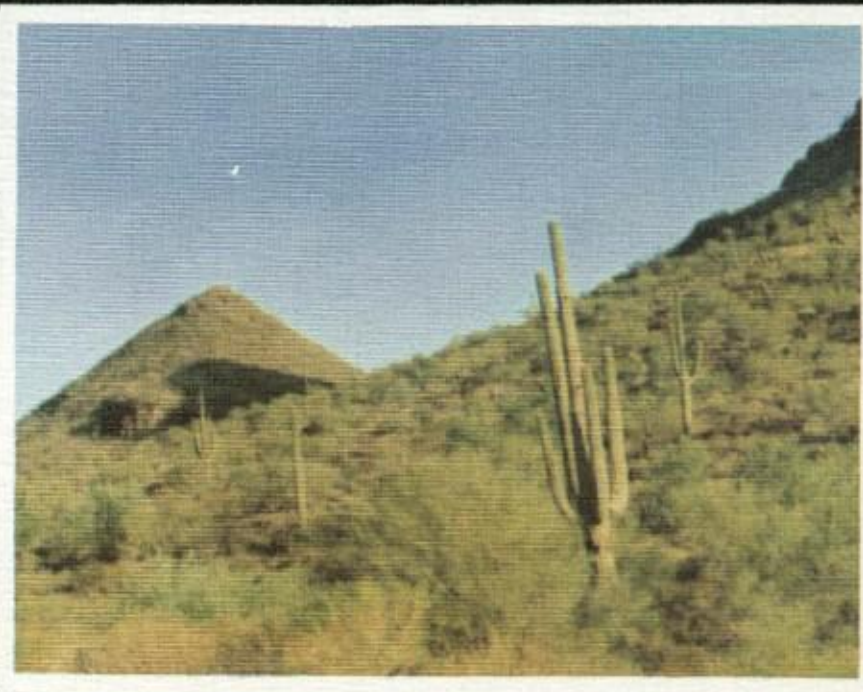

HURRICANE HIGH
HURRICANE, UTAH
VOLUME 1-1977

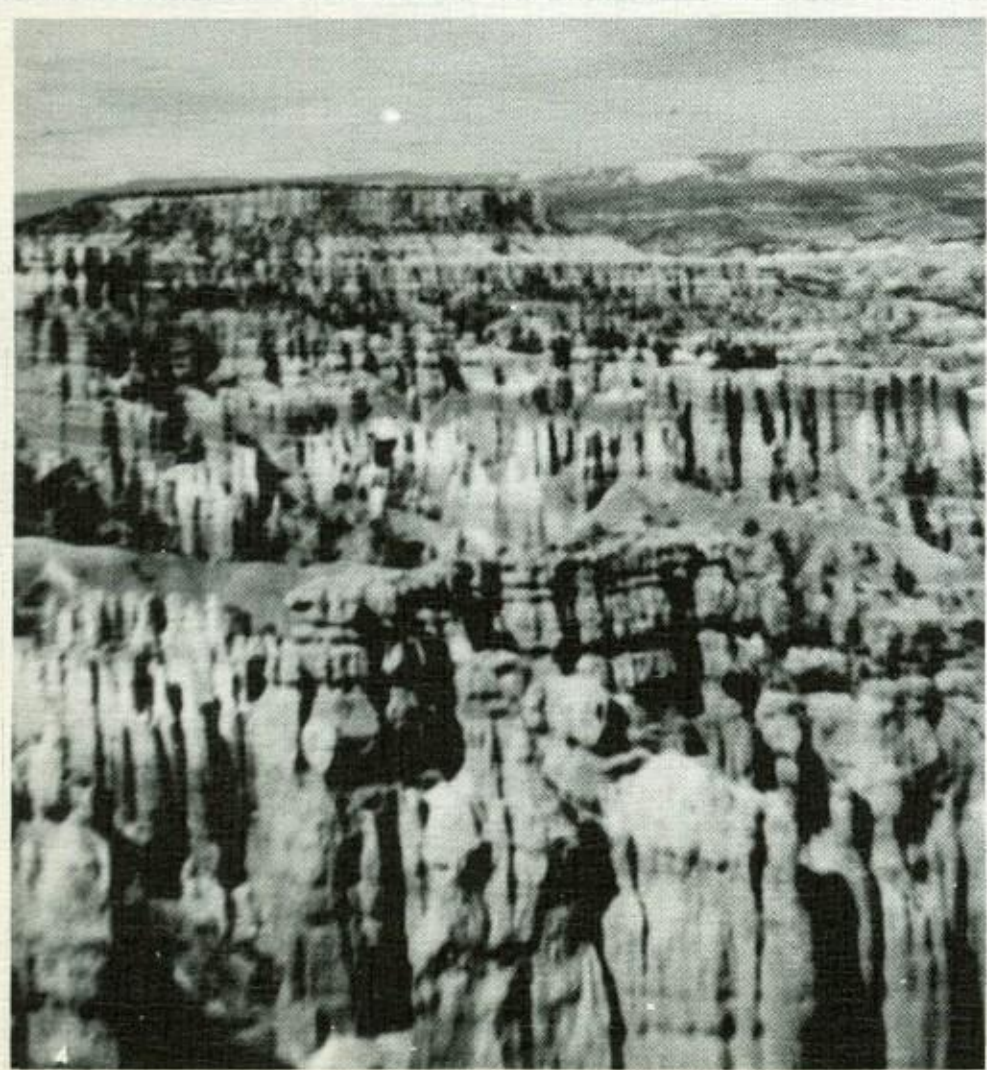

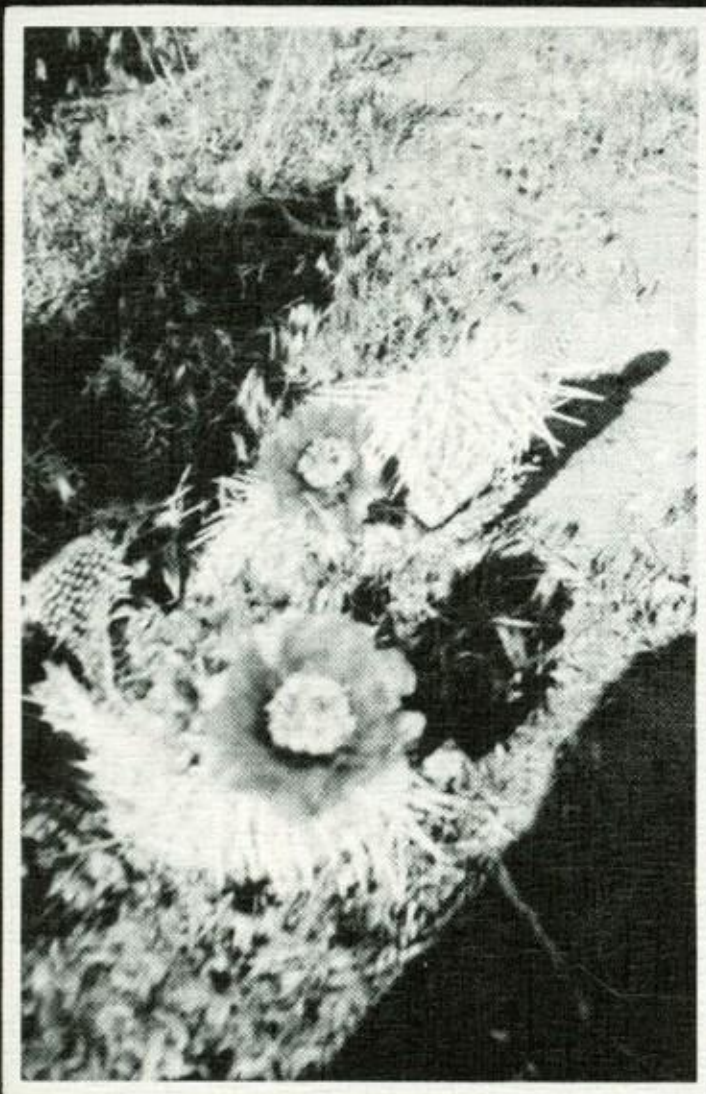

we can lift ourselves out of ignorance; we can discover the creatures of excellence, intelligences, and skill born in us all; we can be free! we can learn to fly.

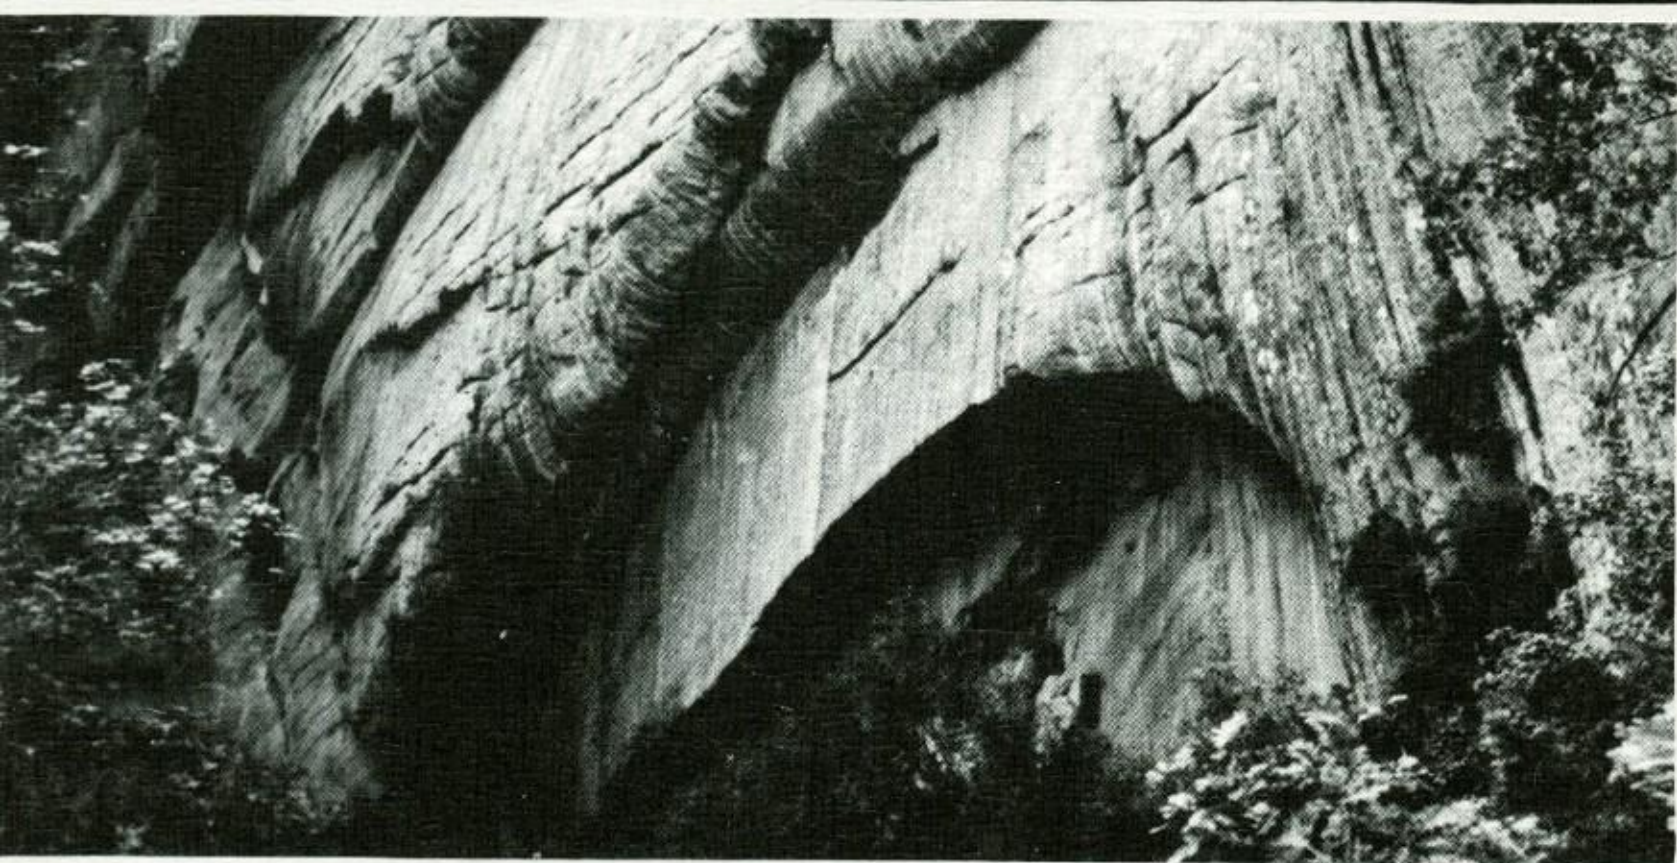

We Can Be Free

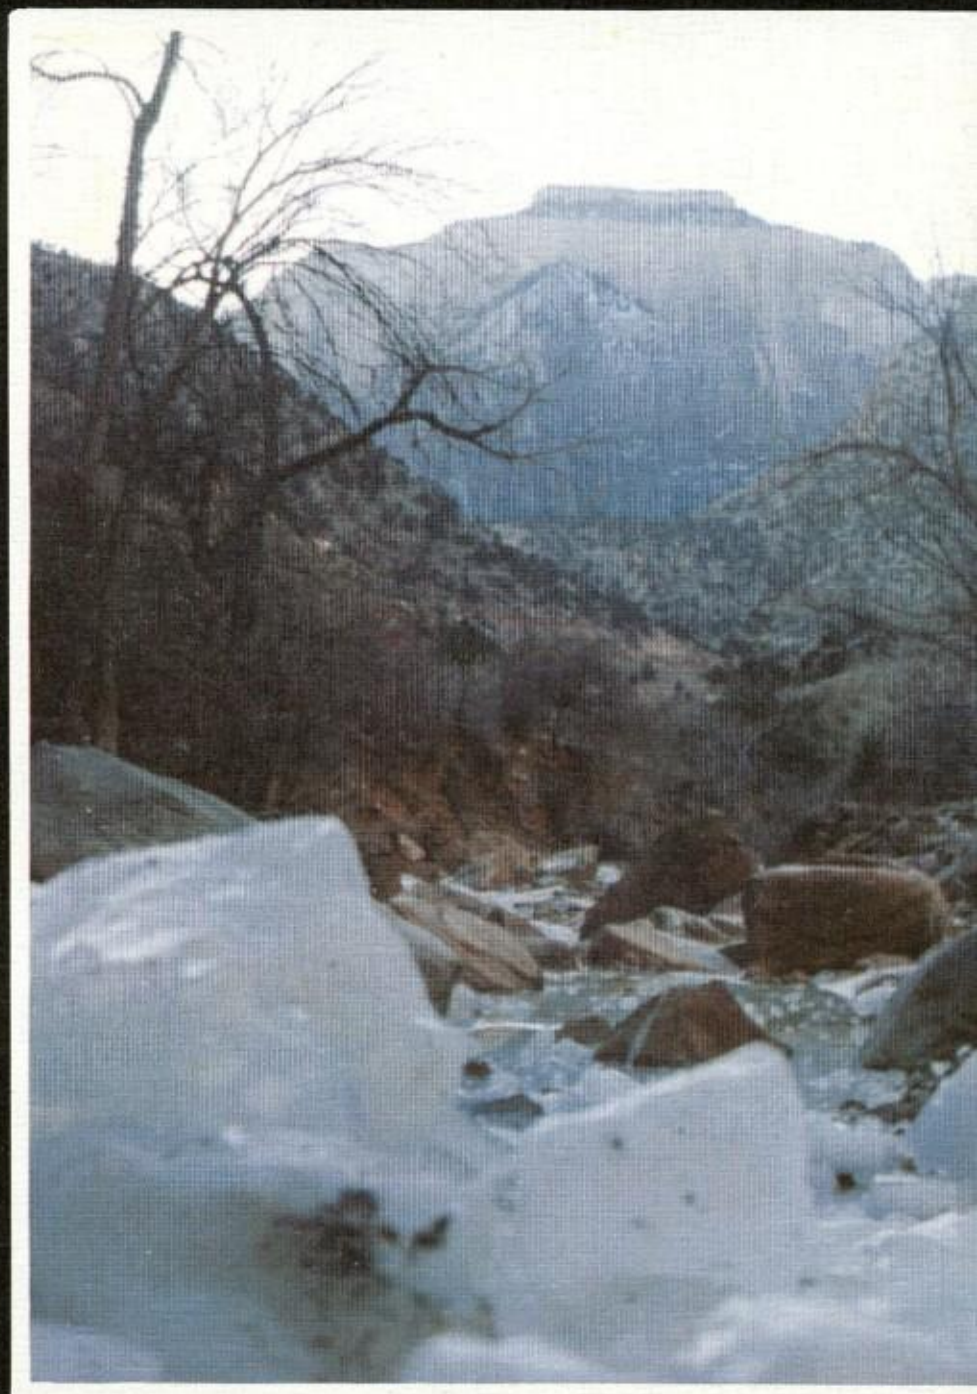

We Must Learn

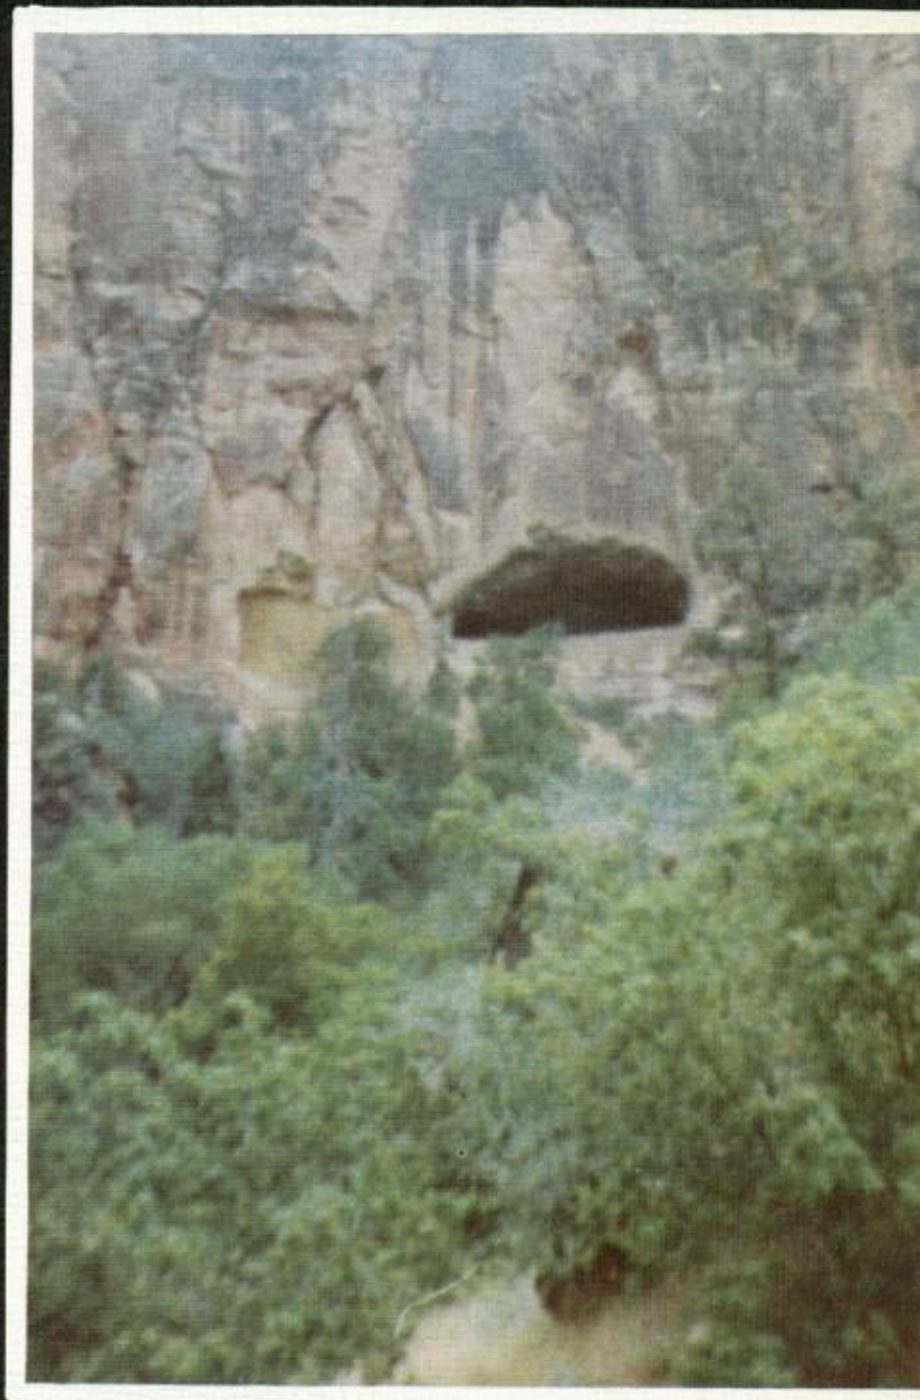

*we choose our next worlds through what we learn in this
one; learn nothing and we have the same lead weights and
limitations to overcome.*

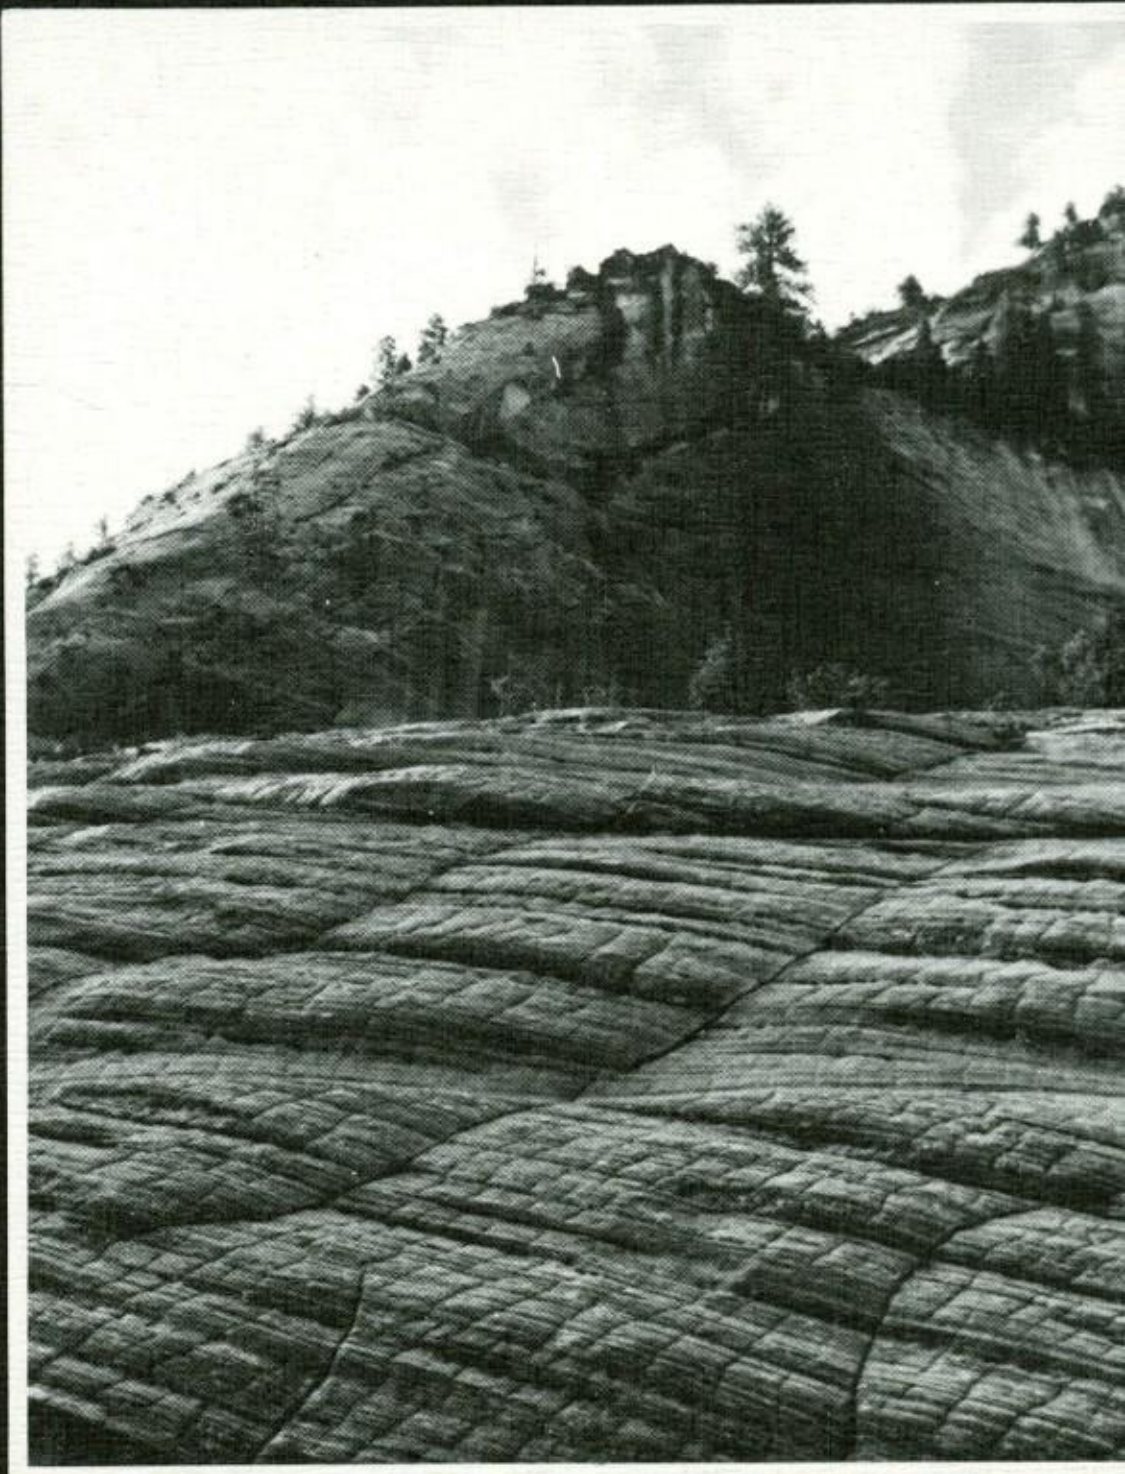

We Must Push Aside Limits

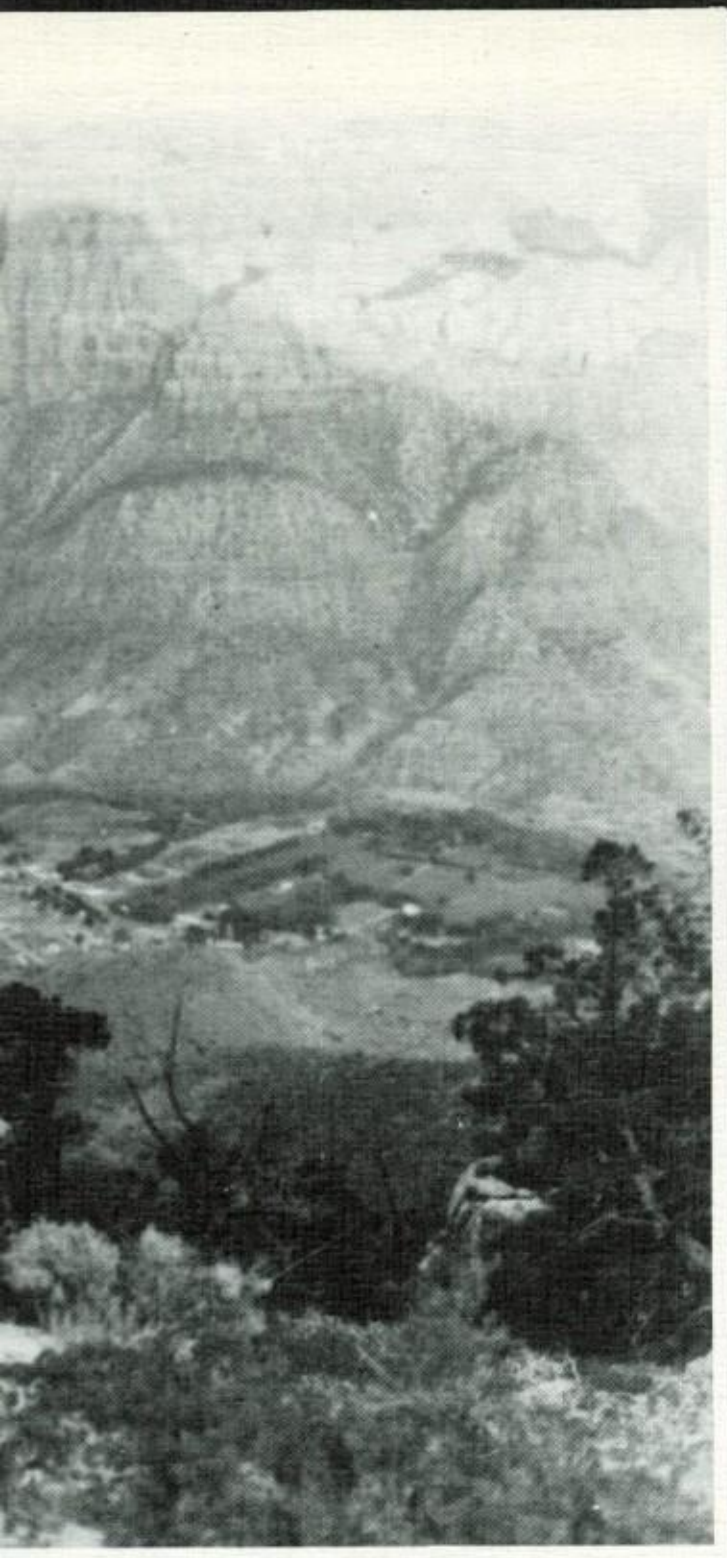

Everything that limits us we must push aside; break the chains of our thoughts and we break the chains of our abilities.

*ideals — we choose them
as our guides, and follow-
ing them, we reach our
destiny.*

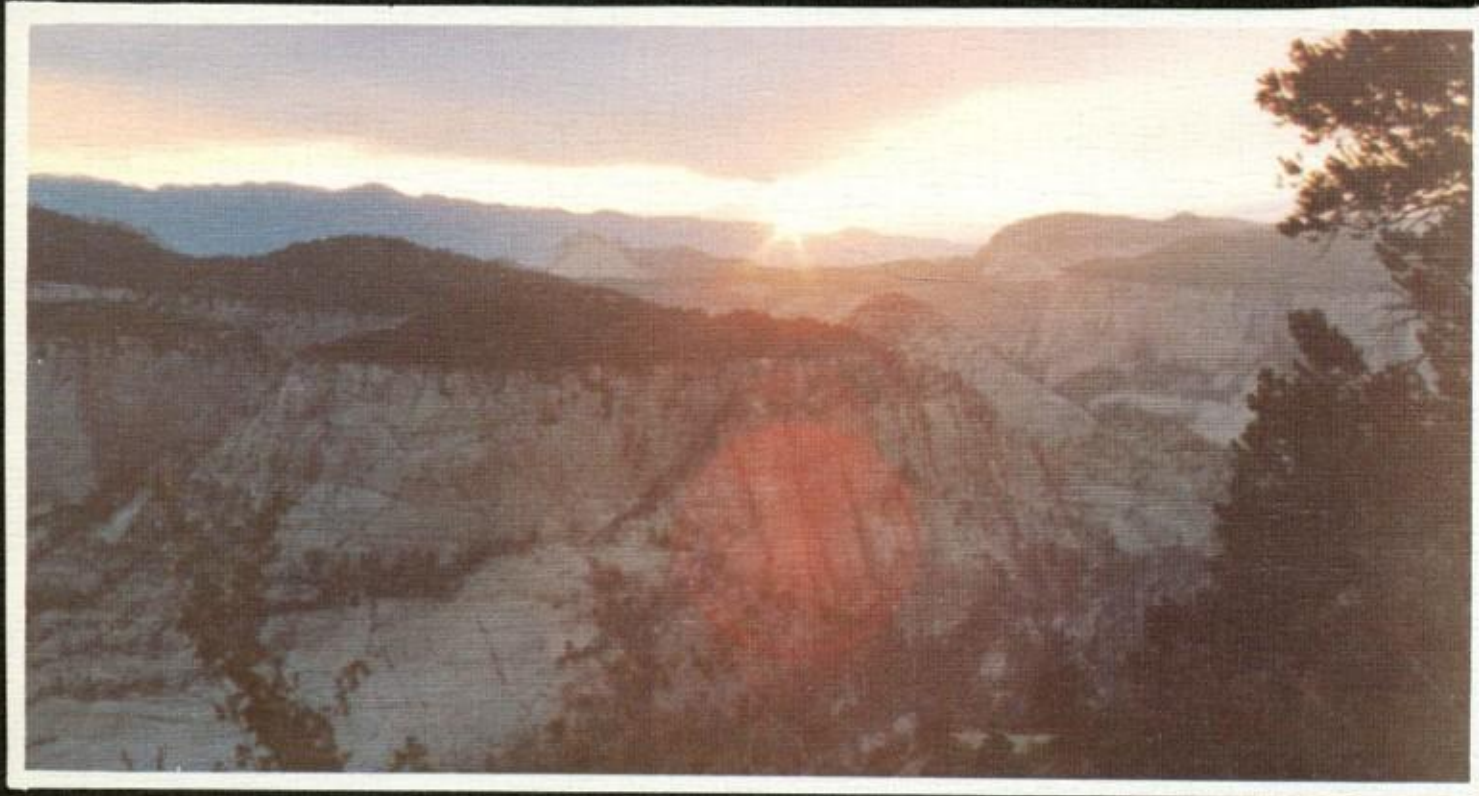

We Can Choose

*We Are
What
The World
Is
Tomorrow*

*life is too short for varied goals, for a talent
that's placed on the shelf, but life gives success
that is second to none to the man who is sure of
himself.*

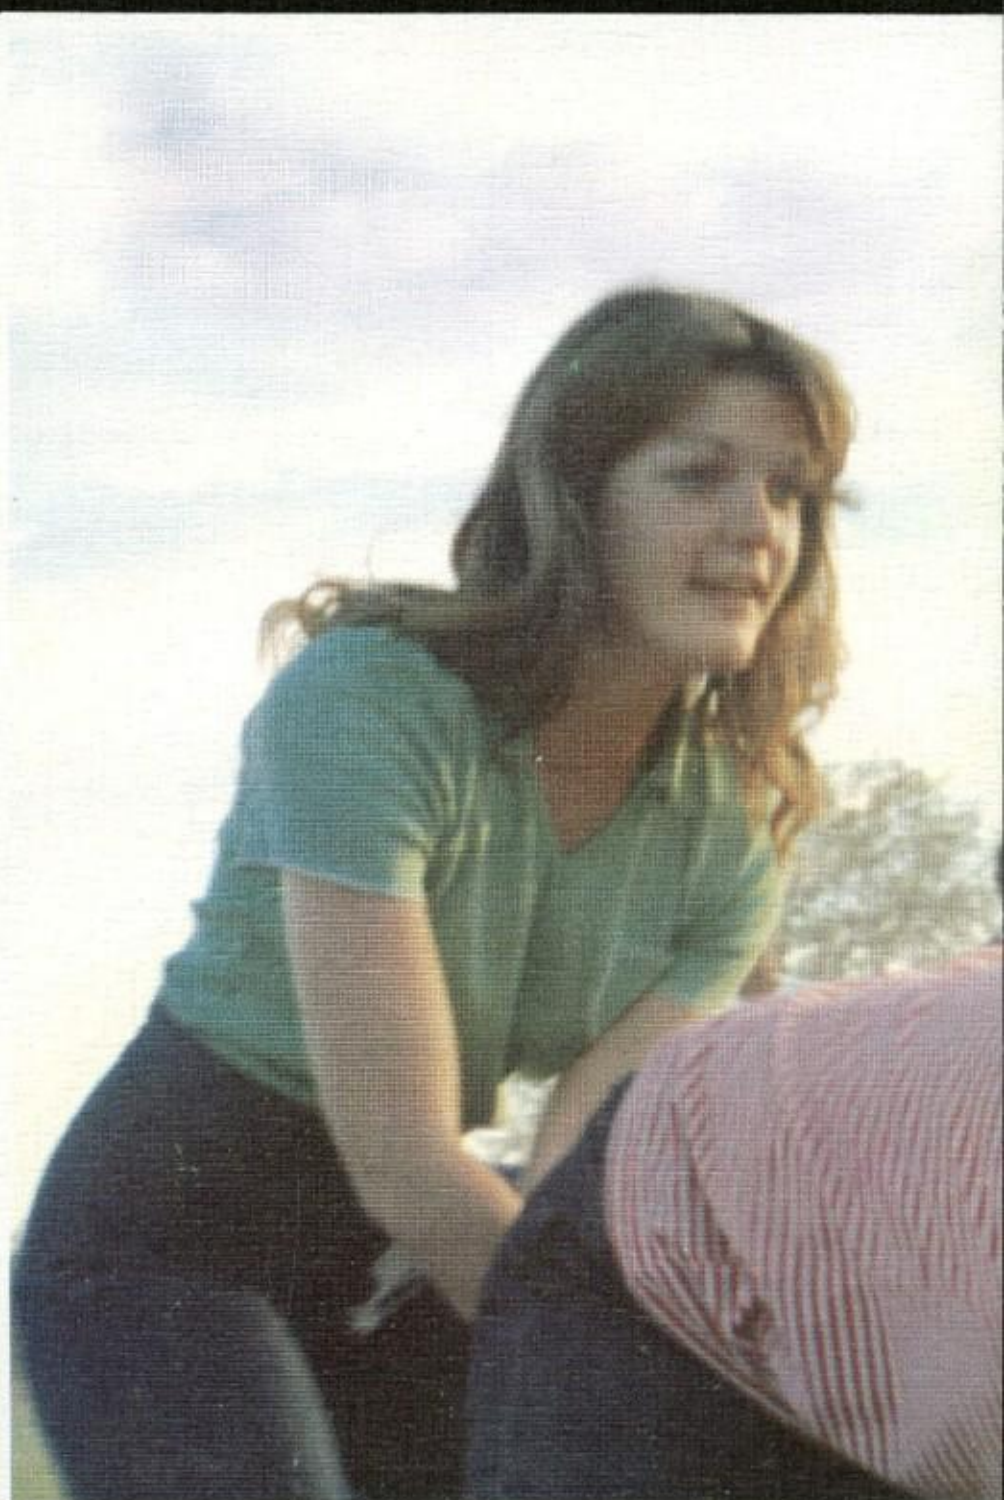

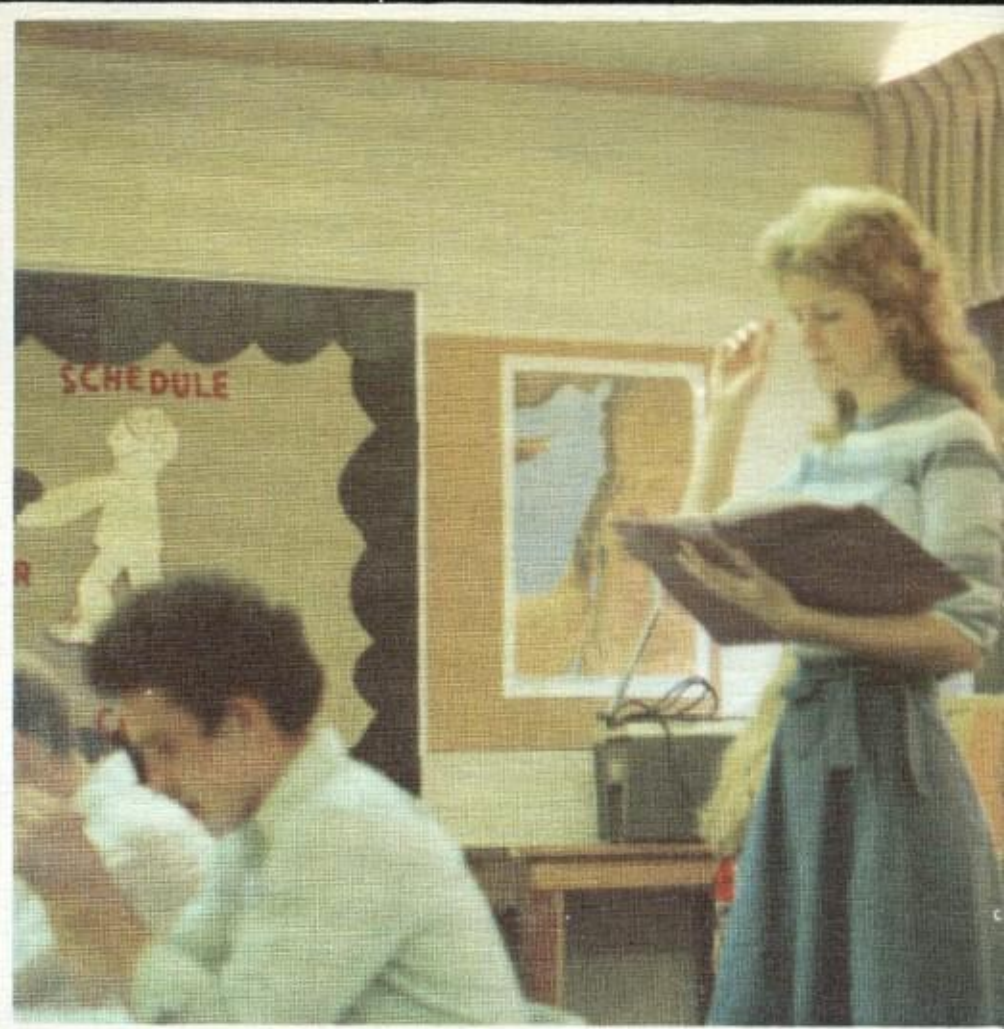

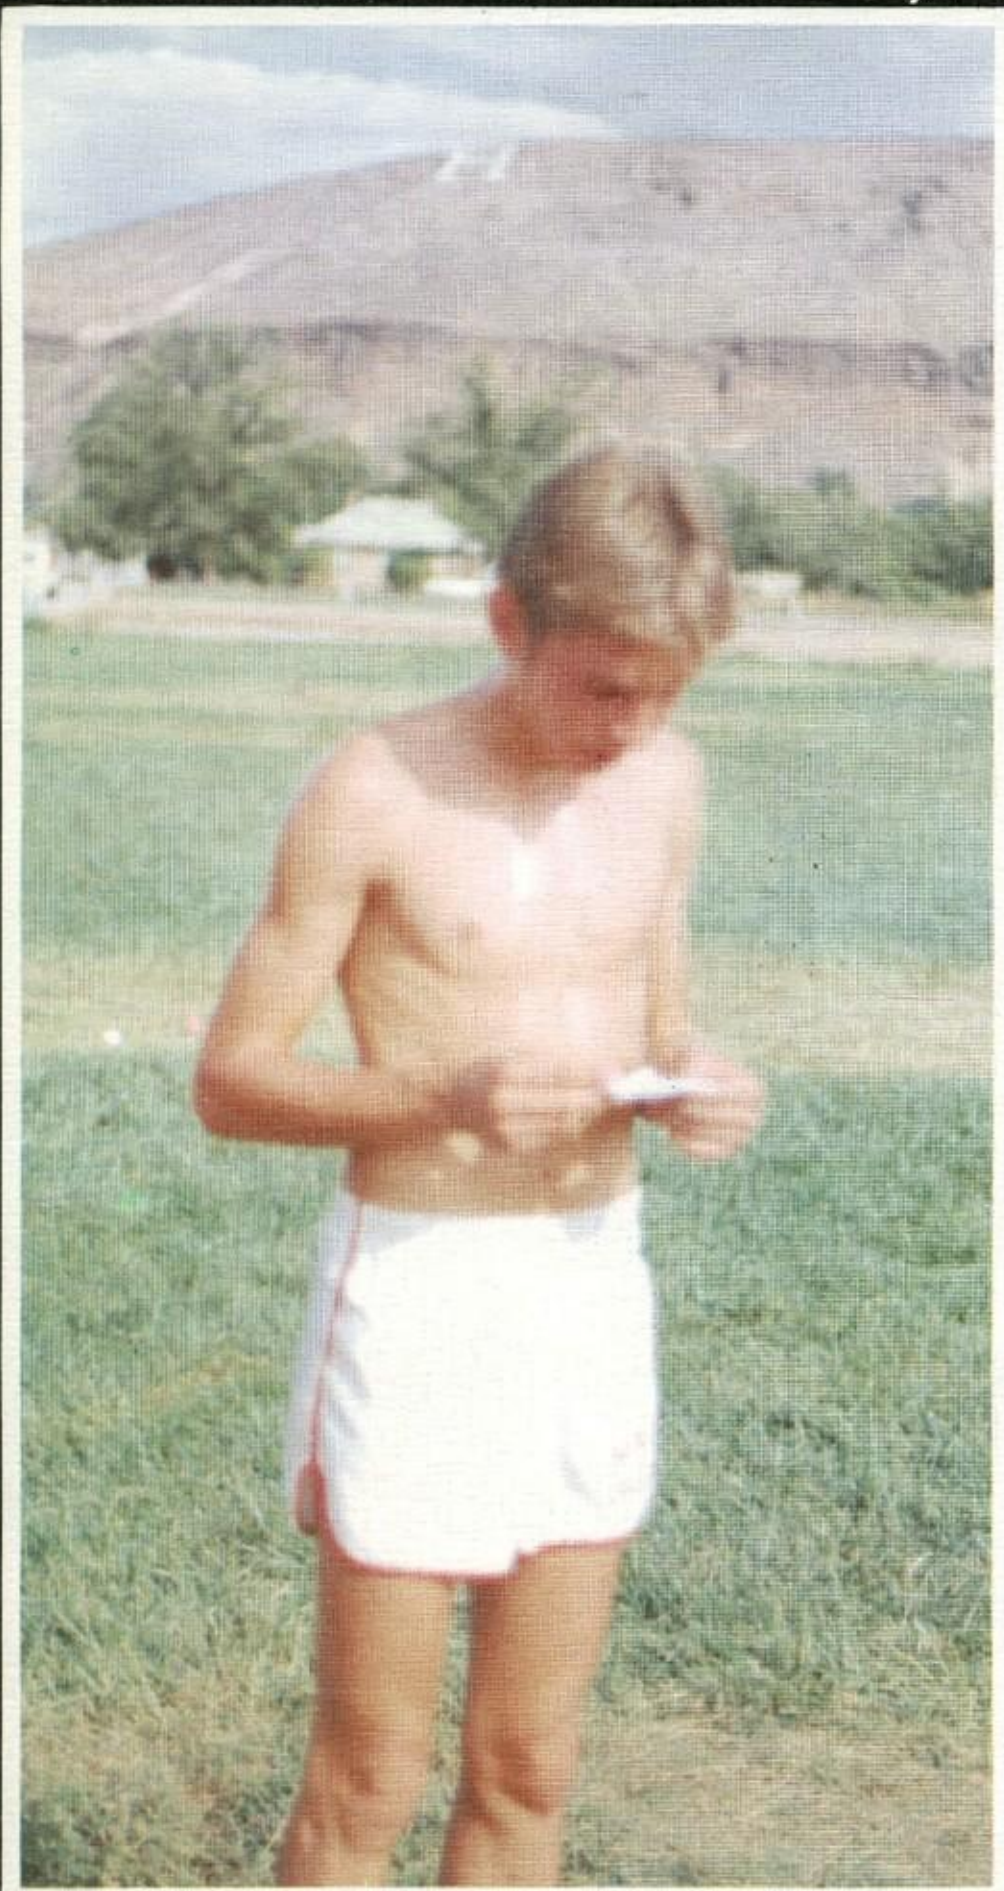

Terry,
It's been great going to school with
you this year. Hope I have some class
with you next year. Have a fun summer
see ya.
your friend
John Hinton

GANG

Student Life

*So much to do,
 So much to see.
 We are only
 beginning
 On the long journey of
 Life . . .
 But the time we've
 Spent together will
 make it easier.*

Roy Hoyt

"It's been a great year and I've really enjoyed

serving you. Hurricane High has made some changes for the better this past year and I hope, as time passes, they will become tradition."

Jimmy Parker

"Thanks for your support and pride. You've

made this school the great school it is today. Remember the support and remember the pride because school isn't just a free ride."

Patricia Gubler

"This last year of my career as a high school

student has been a memorable one. I hope the things we, as the Student Council, have tried to do will remain a long time after we've gone. Never stop searching for those gold mines! They pay off every time, right?!"

Teresa Davis

"This has been a really good school year.

We've had our ups and downs but you have those kind of things to have a successful school. Remember to always have pride in our school and stand up for what you know is right. Thanks for all the support.

THE GRIND

What was "the Grind?"

It was when after a hard day at school you came home, put your feet up, and slept. Or maybe on a bus trip you just felt your enthusiasm had konked out. Perhaps it had been on registration day, when every class you wanted was filled. The grind was just everyday happenings that were the times of our lives.

TYPHOON AND HURRICANA PUT IT ALL TOGETHER

Typhoon and Hurricana began the year with hard work and success. The Yearbook staff started out by selling ads. Then came Yearbook Week; the theme was "Hollywood Swingin'." Some of the activities involved during Yearbook Week were: dressing up as Hollywood stars, selling yearbooks during noon hour, and the yearbook dance.

The Hurricana staff worked day after day to meet every deadline. Every two weeks a newspaper was published. They sponsored the Sweetheart Dance in February.

The Typhoon and Hurricana staffs worked hard to meet every deadline, and it took dedication and determination to accomplish their goal.

FUTURE FARMERS OF AMERICA

Hurricane's chapter of F.F.A. is one of the clubs that is always growing. They have a membership of almost fifty people. The purpose of the club is to enrich understanding and to apply skills useful in the future.

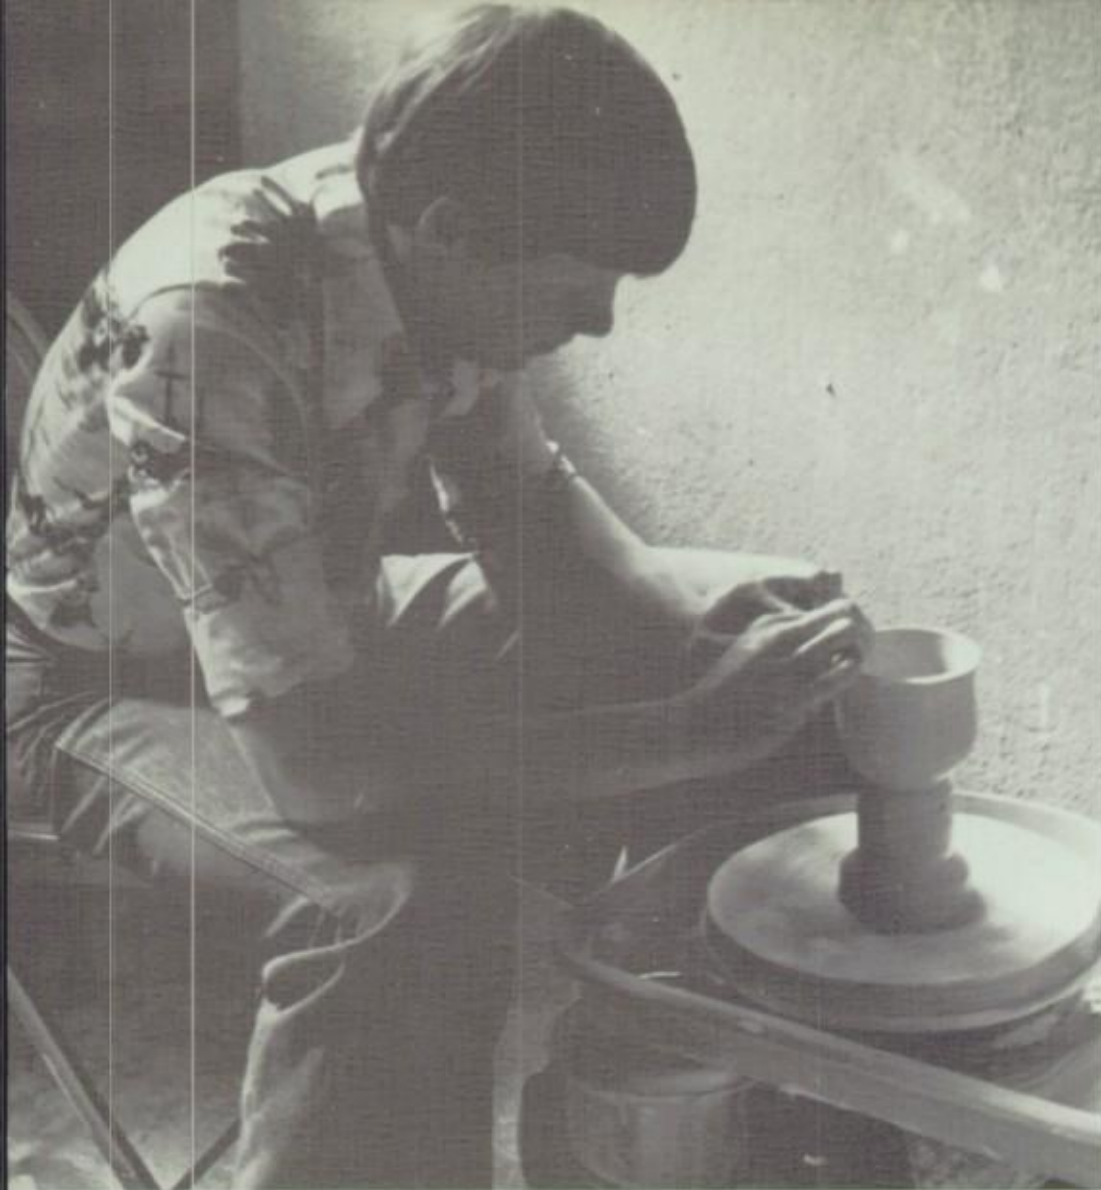

A "get acquainted" party began the year's activities, where F.F.A. and F.H.A. were bused to Dixie where they stuffed themselves at the City Park and traveled on for a rip-roaring time at the skating rink.

A few of their activities consisted of F.F.A. Week, that involved the traditional green hand initiation; sponsoring the Harvest Ball; as well as attending live-stock shows and state competition held in Salt Lake City.

Harvesting pecans and working on people's farms were two of their money-raising projects.

BACK, LEFT TO RIGHT: Brian Draper, Marc Van Dam, Alvis Robertson, Lamar Stout, Dusty Mangum, Micheal Wright, Stephen Wilson, Tom Beecher, Nate Jackson, Mr. Bill Crosby, Mason Stock, Curtis Wittwer, Richard Hall, Murry Gifford, Cassie Hall, Jeri Porter, Wade Klienman, David Persinger. ART GUILD EXCELS

The swish of paint brushes, crinkle of paper, and the laughter of students compose some of the sounds that often came from the art room hours after the school dismissal bell had rung.

With Mr. Larkin as their advisor, the hard working members of the 1977 Art Guild Club experienced a busy and successful year, participating in state art exhibits in Salt Lake City and also in a traveling art exhibit around our region. All of which helped them grow closer together as a club.

BACK: Tom LeFevre, Becky Wilcox, Mary Howard, Todd Furse. MIDDLE: Wendy Heber, Liz Savage, Jean Heideman, Susan Hammond, Cassie Hall, Mike Smith, Melanie Madsen, Beccie Pierce. FRONT: Jim Welch, Mr. James Larkin, Tina Campbell.

RODEO — AMERICA'S #1 SPORT

Rodeo Club had an eventful year as they were involved in the Dixie Round-up Parade, the Homecoming Parade, and the Fair Days' Parade. Rodeo grounds were cleaned and the shoots were repaired. Their enrollment increased and with it came the fun of being together.

NIKE CLUB SERVES OTHERS

The Nike Club wasn't devoted to developing certain talents, but was organized specifically to serve school and community.

Girls with an interest in people discovered what it meant to give of their time and effort to help others.

They sponsored money-raising bakesales, went caroling to spread that good ole Christmas Spirit. They also planned a Christmas program for the Hurricane Rest Home.

In return they received the feeling of pride and a sense of unity as they worked together for the benefit of others.

FRONT: David Persinger, LuAnn Beatty, Shillene DeMille, Elaine Shamo, Selena Beatty, Brent Sandberg.

U.N., Forensics and Debate have taken over the world, and with a teacher like Mr. Kroff who can help it. This year more students participated in U.N. and Forensics than any other year. The Forensics team placed high in region competition. Particularly outstanding were Tina Campbell in oration and Chip Higgins and Robert Wahlquist in debate. The two countries represented in the model United Nations by Hurricane were Peru and Albania.

3. This year's drama has really been great. They started the year off with a new teacher, Miss Done. The Drama Department, along with the student-body, was really excited about the fall play, "Cat and the Canary." In the spring they put on the musical "Annie Get Your Gun."

THESPIANS: THE WORLD IS THEIR STAGE

What do you have when you add boys and girls who are interested in Drama? Thespians! That's what! The year was really great fun for them as the world opened up. With Kelly Lundeen as president, they acted out fun times such as having parties every month. In October they ventured over to St. George and watched "Flowers for Algernon" put on by Dixie College. December was highlighted by caroling around town.

The party ended with smiles and the spirit of Christmas. To close the year a banquet was held; awards were given to each member after a tasty meal. The world is truly a stage for Thespians.

With more than one-third of the girls in the school participating in F.H.A. how could you go wrong? All the many parties and activities were made fun with such a large crowd. The opening social was great fun when the F.H.A. and F.F.A. got together for their annual skating party. In December they sold cookbooks to people in the community. February was great fun when they sent singing Valentines to people in the school. Conventions in Ceder City and Salt Lake City gave the girls more insight into their role as future homemakers of America.

THE NEW LIBERATED P.E. AND GIRLS' ATHLETICS

The Girls' Athletic program struggled endlessly this year in different events such as basketball, track, tennis, and volleyball. The enthusiasm for sports worldwide was no exception at H.H.S. The Girls' Sports are becoming one of the highlights of high school.

LETTERMEN

A pounding drive of a halfback for that one extra yard, a smash hit into right field for a double, an ace in the final game of a tennis match — this is what it takes to be a Letterman. With Jeff Phipps as president, they planned many activities. The annual slave action started off the year. The highest bid was Brad Holt for 30 dollars. The highlight of the year was the Letterman Banquet, where each boy received the letters that he had worked so hard for. As the year came to a close, each member remembered all the hard work and determination that was put into the past year.

BOYS' AND GIRLS' STATERS

Every year four boys and four girls are chosen out of the jr. class to attend Boys' or Girls' State. This is a great honor as well as a fantastic experience. The girls went to S.U.S.C. where they ran for mock government offices. At the end of the week Governor Rampton addressed them. After which each girl got to shake his hand. Boy Staters traveled much farther to Utah State in Logan, Utah. They also ran for mock government offices.

The Kubettes marched proudly for the Hurricane Junior High in the half-time entertainment of football and basketball games. When some of the members were asked about the year as a Kubette, they said, "It's not easy to learn to march; everyone is tired and grouchy, but these are just some of the things we had to go through. Besides having our bad times, we had many good times also. We learned to work together and become closer as a club."

TIGERETTES GET IT ON

"One year ago as we were chosen 1976-77 Tigerettes, we were excited and filled with enthusiasm. We wanted to make our club one of the best. As our year progressed, each one of us had to accept our share of responsibilities. Even though new Tigerettes will take our place, we will never forget the first time we wore our snappy new uniforms as we marched. We realized that by practice and patience we had built a club we could have spirit and pride in" . . . Tigerettes.

"Being a Tigerette meant getting up at 5:30 a.m. and a lot of hard work, but it gives us a sense of unity; it's a challenge. Now I know it's been worthwhile and fun . . .

READY, SET, HUT ONE!

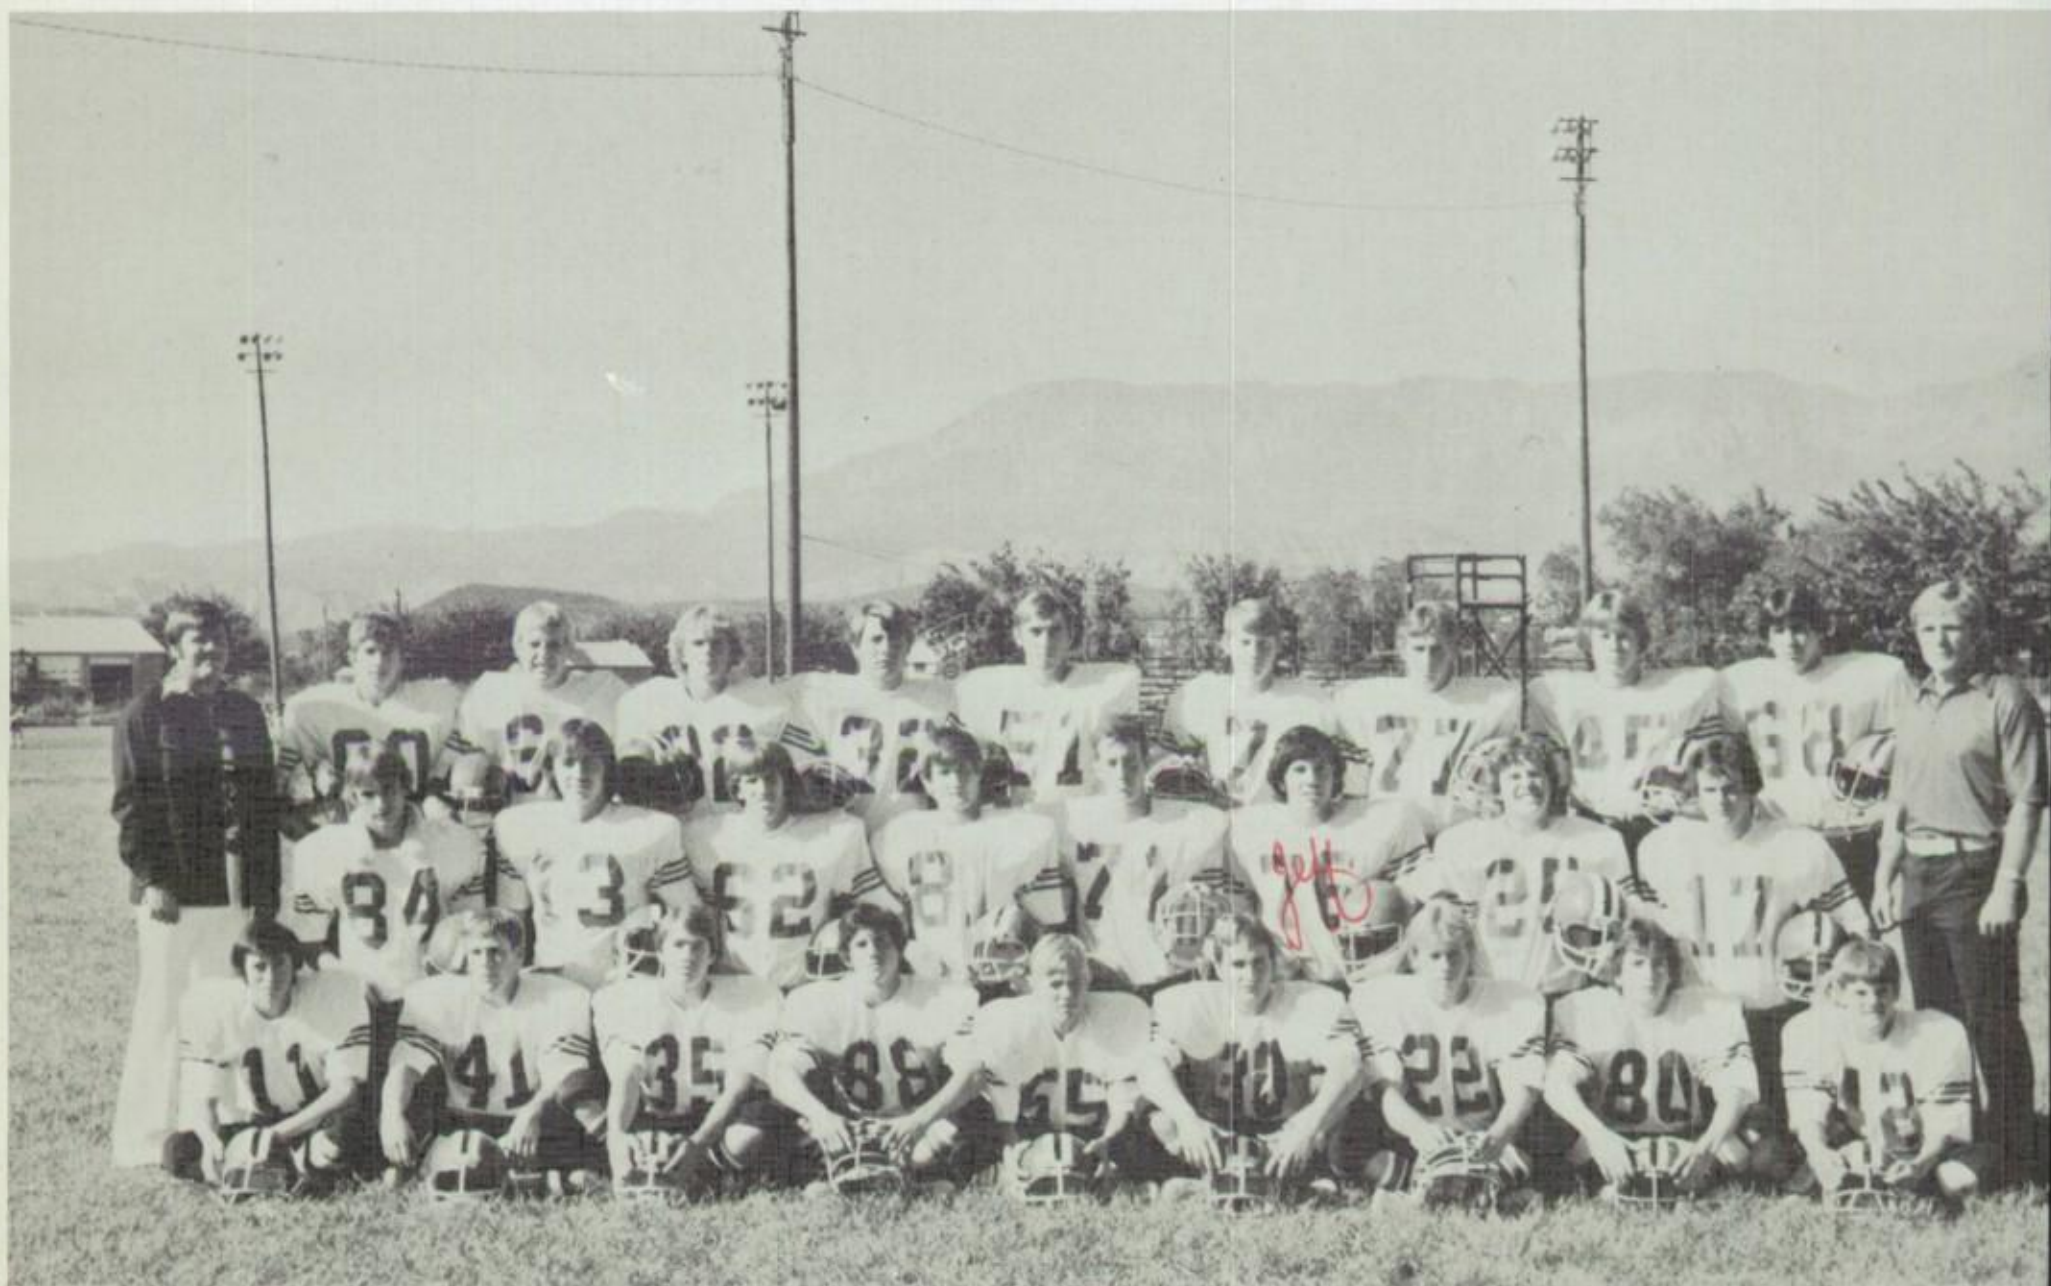

Despite the injuries the team sustained, the Tigers finished the football season with 6 wins and 6 losses. In the words of one of the football captains, Roy Hoyt, "It was one of the most successful years in a long time. A contributing factor probably was being in a new region, Region 7."

Some of the outstanding members of the team received personal awards. The Deseret News selected Morgan Humphries as Prep of the Week for running the ball 326 yards in one game. This is one of the highest honors an athlete can be awarded in Utah. Morgan and Roy Hoyt were on the Deseret News First Team All-State. Craig Bettridge was second team. Spectrum All-Staters were seniors: Bill Turner, Roy Hoyt, Morgan Humphries, Craig Bettridge, Jeff Phipps. Honorable mentions went to Tom Beatty and Frank Prater, a sophomore.

To sum up the year, Coach Christiansen said, "The ecstasy of victory and the agony of defeat — what more can you say about a 6 - 6 season?"

"J.V. Basketball is a building block for Varsity Basketball, and this year has been just that. They have struggled but succeeded in exciting all who have watched them. The work they have done in practice has been magnified on the game floor. The school and the coaches should be proud of what they've done."

BOUNCING BRIGADE

Amid the sounds of cheers from the crowd, whistling from the refs., shouting from the coach, the basketball hitting the floor and tennis shoes pounding paths back and forth between baskets, the Varsity Basketball players hustled their way to a 10 and 11 season. The Tiger Basketball team also made it to the State finals in Provo.

"What sport is the most physically developmental of all sports?
Wrestling!

What sport asks for the most self-sacrifice from its participants?
Wrestling!

What is the most combative sport in high school? Wrestling!

What sport builds the most "character"? Wrestling!

Our wrestling team this year improved more than any wrestling team in recent history. We had five state wrestlers which included one who received All-American honors. We all suffered defeat, but all experienced victory. Whether in victory or defeat, the fact that the wrestlers were in the arena fighting and doing their best with the talent that was theirs, is what is important. As President Roosevelt said, "The only losers are those cold and timid souls who know neither victory or defeat."

SADIE HAWKINS

ROYALTY: Lil Abner: Mark Codwell; Daisy Mae: Jody Noorlander.

"You're caught!" As the girls chase the boys they wanted to take to the Sadie Hawkins dance, this familiar phrase was heard many times. The boys put up a pretty good chase, even though they were aching for a girl to ask them to the fun Hill-billy dance. The chase included everything from girls chasing boys on top of buildings to girls waiting outside a boy's last period classroom to catch him the easy way, but the boy always seemed to outwit her by crawling off the building or out of the window.

One of the Sadie Hawkins chasers said; "Sadie Hawkins is really a fun and exciting week, but, it sure poops you out!"

Whereas the boy commented; "You've just got to be smart and always on the alert. You never know when some girl is going to pop out and say, 'You're caught!' "

TIGERETTE WEEK

Tigerette Week was held January 10 - 14. Each day brought a new activity: Monday: Blue day and baby pictures. Tuesday: Dress up day. Wednesday: Dad's day. Thursday: Cool day. Friday: Red and Black day. Friday night they sponsored a dance which turned out to be a success. The theme was "Shake Your Bootie." At the floorshow the winners of the baby contest, Mary Edwards, and the spirit chain, Class of '80, were announced.

Tigerette Week added to the school spirit and pride which was carried on throughout the year.

1. Which one mugged you, lady? 2. "Look Mom, just like Dad!"

HOMECOMING '76 "THE TIMES OF OUR LIFE"

1

2

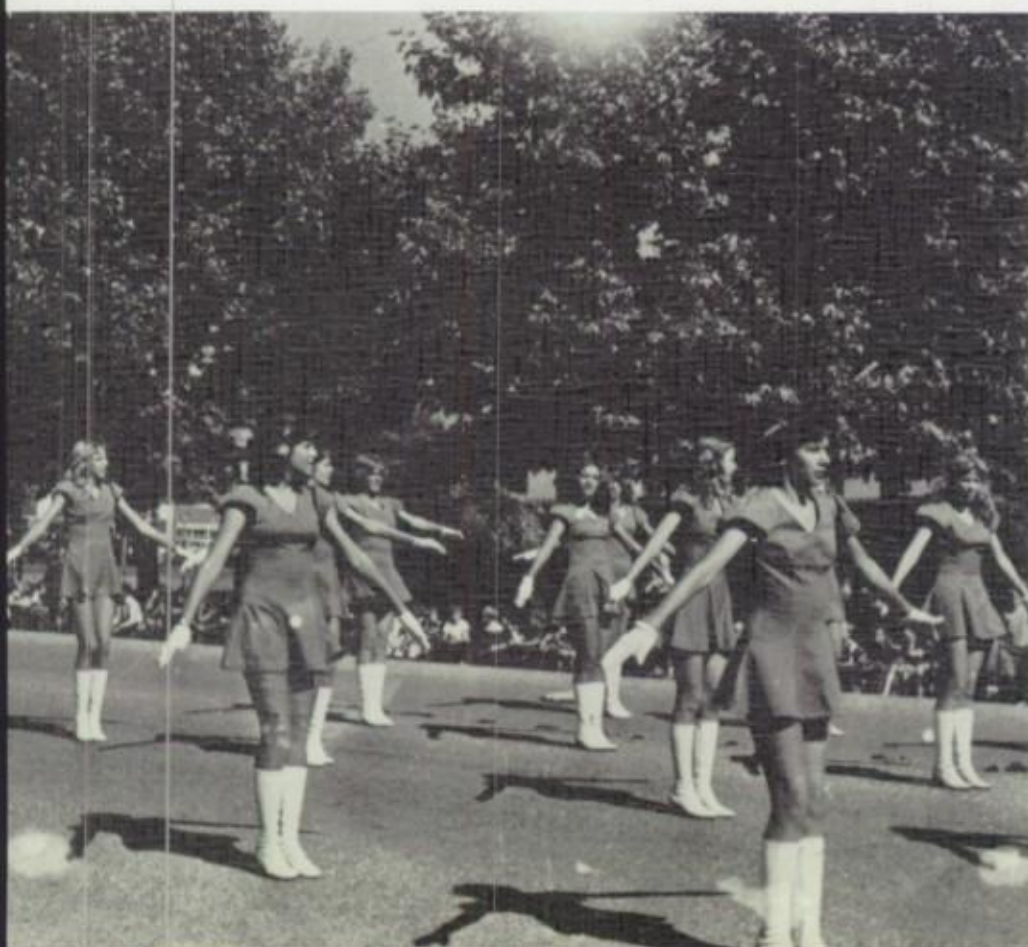

3

The excitement of Homecoming Week was brought to life with the theme "The Times of Our Life." All during the week people were running around trying to get everything in order. An early morning breakfast, sponsored by the Tigerettes, got the team excited for the Homecoming Game. With class skits brought talent, fun, and laughter to the week's activities. The parade demonstrated our talent for building floats; the Seniors proved their ability and experience by taking first place. At the Homecoming Assembly many of the Alumni retraced their footsteps with song and talk of the times of their lives at H.H.S.

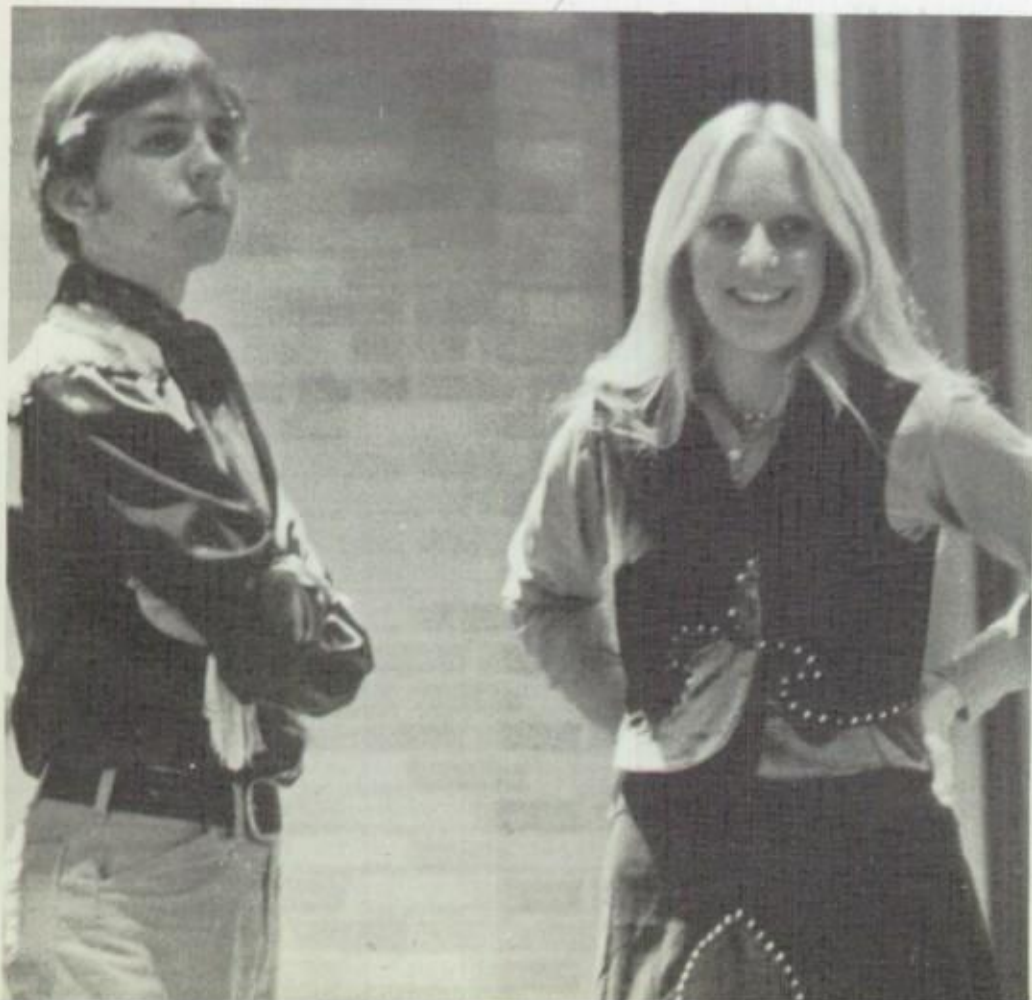

4

"ANNIE GET YOUR GUN"

The spring musical brought a little different taste to H.H.S. It was a rip-roarin' western about Annie Oakley and the wild west. The director was Miss Done, a new addition to the faculty. When practices were announced, there was a familiar groan and a usual wonder if they could pull it off. But when opening night came to an end, knew all the long hours they had spent were worth it.
